

A dynamic, high-speed photograph of a water splash, creating a sense of movement and freshness. The water is captured in various stages of splashing, with droplets and streams of water visible against a light blue background. The overall tone is clean and refreshing, emphasizing the liquid nature of the product.

Liquid Cooling Products and Solutions

CorefloX

COREFLOX SG PTE. LTD.

COREFLOX SG PTE. LTD.

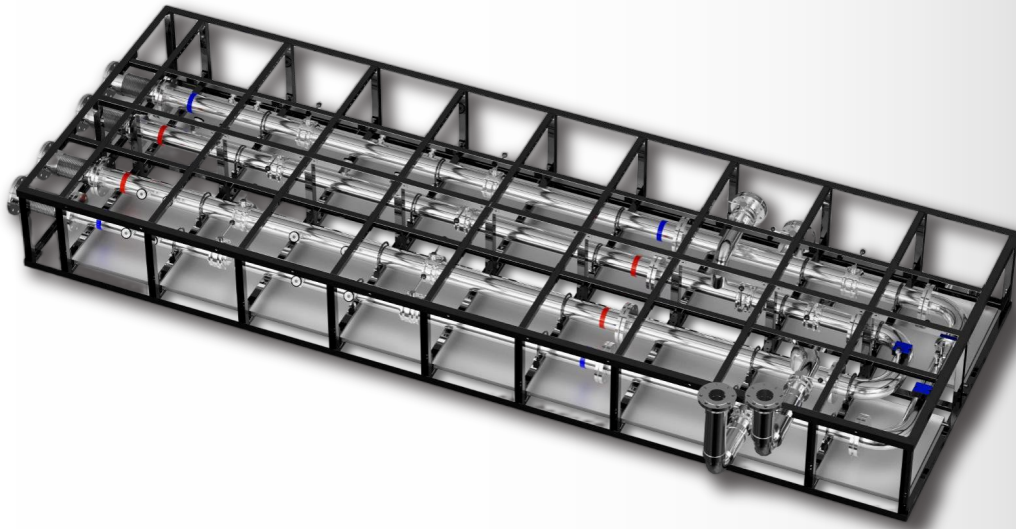

Company Profile

CorefloX is a technology-leading ICT cooling product and solution provider, integrating industrial research and development, solution provision, and full lifecycle services of cooling technology into one high-tech manufacturing enterprise.

At CorefloX, our mission is to deliver innovative cloud solutions to International Hyperscaler and Colo. By providing our scalable cooling infrastructure to operate efficiently and securely, we are committed to stay agile in the face of change, turning challenges into opportunities for growth.

Prefabricated Product -CF-YG

Prefabricated Piping CF -YG

Product Feature

- Customization
- Millimeter accuracy
- Numeric archive, laser marking
- Weld joint nondestructive testing
- Microwave pipe cleaning
- 3D design, factory prefabricated, N2 pressurized
- Quick installation
- Hygiene pipe
- Optional materials stainless steel, PPH, PPRCT
